

Natural Visions® Family of Products

Instructions for use by Liquid Soap Products, LTD

NATURAL VISIONS® AUTOMATIC DISH POWDER

Uses: Automatic Dish Soap for all dishwashers

Proper Use: Dispense into dishwasher soap compartment as directed below. Do not overuse.

1 to 2 teaspoons per load. For use with fine dining ware (fine china, crystal, etched glass, sterling silver, etc.), please check with manufacturer for proper cleaning method.

Ingredients: An Aqueous Viscous Concentrate containing Sodium Metasilicate, Bio-Degradable Natural Thicken, Buffering Agents, Surfactant, Fragrance and Colorant (Free & Clear Contains No Fragrance or Colorants). Contains No Phosphates, Bleach, or Enzymes.

NATURAL VISIONS® CREAM SOAP

Uses: Hand & Body Soap, Bubble Bath and Shaving Cream

Direction For Use:

Adding Super Concentrate to Dispenser: Shake Super Concentrate thoroughly. Add 8 tablespoons (4 oz.) of Super Concentrate to 16 oz. or 17 oz. Dispenser (Fill to Star Line on Dispenser). Fill Dispenser with water. Shake thoroughly.

Proper Use:

- Hand & Body Soap-Apply small amount on to skin. Massage into lather. Rinse.
- Bubble Bath-Dispense small amount into running bath water. Agitate water to produce bubbles. Repeat if necessary.

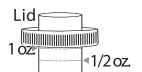

NATURAL VISIONS® LAUNDRY SOAP

Uses: Laundry Soap for all machine washable fabrics

Directions For Use:

Adding Super Concentrate to Dispenser: Shake Super Concentrate thoroughly. Add 8 tablespoons (4 oz.) of Super Concentrate to 16 oz. Dispenser (Fill to Star Line on Dispenser). Fill Dispenser with water. Shake thoroughly. Allow 60 minutes for Concentrate to dissolve.

COMPATIBLE	Lid	
	Front Loading / HE	Standard
Treated Water	1 Tbs. (1/2 oz.)	1-2 Tbs. (1/2-1 oz.)
Untreated Water	1-2 Tbs. (1/2-1 oz.)	2 Tbs. (1 oz.)

NATURAL VISIONS® GLASS CLEANER

Uses: Glass Cleaner

Directions For Use:

Adding Super Concentrate to Dispenser: Shake Super Concentrate thoroughly. Add 1/2 tablespoon (1/4 oz.) of Super Concentrate to 16 oz. Dispenser. Fill Dispenser with water. Shake thoroughly. For increased grease cutting action, add 1/2 tablespoon (1/4 oz.) of rubbing alcohol to Dispenser, prior to adding water.

NATURAL VISIONS® KITCHEN & BATH CLEANER

Uses: kitchens, bathrooms, floors, and other household areas

Directions For Use:

Create a ready-to-use solution by adding 1/4 oz. of Kitchen & Bath Cleaner Super Concentrate to the empty 16 oz. trigger dispenser. Fill to top with water and agitate.

Proper Use:

- Light cleaning/spray & wipe: apply to non-porous surfaces using the 16 oz. sprayer bottle. Spray 6–8 inches away from surface. Let stand up to 10 minutes. Rub with brush, cloth, or sponge to remove dirt and grease. Rinse, if desired.
- Toilet cleaner: apply 1/4 oz. to 1/2 oz. of activated premix from 16 oz. dispenser to water in toilet bowl. Scrub bottom, under rim, and sides of bowl. Flush toilet.
- Mopping: apply activated premix from 16 oz. dispenser to 1 gallon of water. Apply to desired area with mop or sponge. For best results maintain a wet surface for several minutes. Rinse, if desired.

NATURAL VISIONS® MULTIPURPOSE CLEANER

Uses: Surface Cleaner, Laundry Pre-Treater, Carpet & Floor Cleaner, Degreaser

Directions For Use:

Job	Dilution*
Light Cleaning (Ex. Mopping)	Add 1 tablespoons (1/2 oz) of Super Concentrate to every 32 oz of water.
Surface Cleaner / Laundry Pre-Treater	Add 2 tablespoons (1 oz.) of Super Concentrate to Dispenser. Fill Dispenser with water.
General Purpose Cleaner	Add 4 tablespoons (2 oz.) of Super Concentrate to Dispenser. Fill Dispenser with water.
Heavy-Duty Cleaner / Degreaser	Add 6 tablespoons (3 oz.) of Super Concentrate to Dispenser. Fill Dispenser with water.

Proper Use:

- Light Cleaning — Use diluted cleaner with mop or cloth to remove dirt and grease.
- Laundry Pre-Treater — Spray soiled area. Rub area so stain remover penetrates stain. Wait 1-5 minutes and wash with laundry soap in warmest water safe to use on fabric.
- Surface Cleaner / General Purpose Cleaner / Heavy Duty Cleaner / Degreaser — Spray soiled area and wipe with paper towel or cloth.

For painted surfaces, fabrics (including carpets), wall coverings, or any other surfaces which you are uncertain of the products suitability, test for color fastness and product suitability in an inconspicuous space prior to use. Not intended for use on glass, brass, aluminum or plastic.

NATURAL VISIONS® CONDITIONING SHAMPOO

Uses: To clean, purify, stimulate and condition hair

Directions For Use:

Adding Super Concentrate to Dispenser: Shake Super Concentrate thoroughly. Add 8 tablespoons (4 oz.) of Super Concentrate to 16 oz. Dispenser (Fill to Star Line on Dispenser). Fill Dispenser with water. Shake thoroughly. Proper Use: Apply dime size amount to wet hair, massage into lather. Rinse. Repeat if necessary. In case of contact with eyes, rinse immediately.

NATURAL VISIONS® LIQUID DISH SOAP

Uses: Dish Soap

Directions For Use:

Adding Super Concentrate to Dispenser: Shake Super Concentrate thoroughly. Add 8 tablespoons (4 oz.) of Super Concentrate to 16 oz. Dispenser (Fill to Star Line on Dispenser). Fill Dispenser with water. Shake thoroughly.

Proper Use: Dispense small amount into running sink water. Agitate water to produce suds. Wash dishes with soapy water and sponge. Rinse thoroughly.

Ingredients: Aqueous Concentrate of Biodegradable Anionic and Nonionic Surfactants, with Foam Boosters, Buffer Agent, Moisturizers, Antioxidant (Vitamin E), Aloe, Glycerin, Fragrance and Colorants (Free & Clear Contains No Fragrance or Colorants). Contains No Phosphates, Bleach, or Enzymes.

NATURAL VISIONS® FOAMING HAND & BODY SOAP

Uses: Foaming Hand Soap

Directions For Use:

Adding Super Concentrate to Dispenser: add approximately 3 teaspoons (1/2 oz.) of concentrate to the dispenser. While leaving room for the pump, fill the remainder of the dispenser with warm water. Replace the dispenser pump and shake to uniformity. (You may add up to 6 teaspoons (1 oz.) of concentrate, if you choose, for a more luxurious foam.)

Proper Use: apply a handful of foam onto skin. Massage thoroughly. Rinse.

PURE SELECTS® OATMEAL BODY BAR

Uses: hand and body washing

Directions for use:

Wash skin with oatmeal bar every day for soft, smooth, naturally healthy-looking skin.
